

TIME WIZARDS
HOLD FOR DAILY wMEMO AIRDROPS

Wizardnomics:

Only 10,000 Time Wizards NFTs will ever be minted, at a cost of 50 FTM. Revenue from minting will be used to purchase Wonderland (wMEMO), Paintswap (Brush-FTM LP), and Tomb Finance (Tomb-FTM LP). Once all 10,000 Time Wizards have been minted airdrops will begin to Time Wizards NFT holders.

Airdrops:

This is legally not a raffle and no prize is guaranteed. We're generous folks who love to send airdrops. At a random time each calendar day we will generate a random number between 1 and 10,000 in our Discord server. We will then send an airdrop of \$5,000 worth of wMEMO to the wallet holding that NFT number. The transaction will be posted on the Time Wizards [Discord](#) and Twitter accounts so they know they have received an airdrop.

Let us repeat. This is not a raffle or lottery. We're just giving back to our peeps...
