

TIME WIZARDS

Roadmap - 2022

Treasury Backed NFT

Mission Statement:

Build the most robust treasury and community that the Fantom NFT space has ever seen, then leverage the power of Fantom to change the lives of our holders through a milestone based airdrop schedule.

Milestones

- **Mint out**
- **Treasury above \$5,000,000**
- **Treasury above \$6,250,000**
- **Treasury above \$10,000,000**

Milestone 1: Mint Out

A journey of a thousand miles starts with a single step

We must first fund the treasury by minting all 10,000 Time Wizards NFTs. If we do not accomplish this task we will be unable to fund our airdrops and will refund mint fees in the form of WFTM.

Our initial airdrop of \$5,000 per day to a random holder will begin on the next calendar day after we have minted the last Time Wizard NFT

Total daily emissions: \$5,000

Total daily airdrops: 1

Milestone 2: Treasury above \$5MM

Expanding upon the foundation

Our treasury is invested in yield producing protocols that also have ability to appreciate in price. As our treasury grows, we can fund further airdrops to our holders.

When our treasury balance has been above \$5,000,000 for seven days straight we will add an additional 25 daily airdrops of \$100 each

Total daily emissions: \$7,500

Total daily airdrops: 26

Milestone 3: Treasury above \$6.25MM

Solid Growth

The treasury continues to flourish and smart investing on our part has paid off. We are now able to fund even more airdrops for our holders.

When our treasury balance has been above \$6,250,000 for seven days straight we will add an additional 5 daily airdrops of \$500 each

Total daily emissions: \$10,000

Total daily airdrops: 31

Milestone 3: Treasury above \$10MM

Life Changing

We're now one of the top NFTs on Fantom, our treasury is strong and our community is growing. It is time to start changing lives in a bigger way.

When our treasury balance has been above \$10,000,000 for seven days straight we will add an additional airdrop of \$10,000

Total daily emissions: \$20,000

Total daily airdrops: 32
